2. **DESIGN** - We have professional playground designers at office location that will customize your playground to meet your specific requirements. We will design to meet your exact; age groups, area, budget, component preferences, and phasing plans - all as a **FREE** added service to you!
3. **SUPPORT** - After the sale of your playground you will be able to have a walk around your playground with your sales associate to ensure you are satisfied with our job. At which time we also provide you with a maintenance kit and manual so that your playground can keep looking brand new for years to come!

It's about each child that visits our water parks, or plays on our rides and slides and other equipment, or lands on our surfacing solutions. And it's about our Customers - Educators, Builders, Landscape Architects, Forest Departments, Tourism Departments, ITDA, Municipality Officials, Resort Owners - who are passionate about children, their families and their friends.

Like parents we use our intuition to look at how children would play at what time and with whom. Like scientists, we use intelligence to research our customers, make our designs, choose material and manufacture our equipment.

Two ways, we are finicky, very finicky. It is as if we are building a space ship. It works.
